**Subject:** PROSECUTOR MEMORANDUM TO ACCOMPANY INDICTMENT

1. Pursuant to my authority under Article 15 of the Statute of the Special Court for Sierra Leone (the Statute), I submit the attached Indictment on the basis that I am satisfied that **ALLIEU KONDEWA also known as KING DR ALLIEU KONDEWA also known as DR ALLIEU KONDEWA**, has committed crimes within the jurisdiction of the Special Court.
2. Article 15 of the Statute states that as Prosecutor, I “shall be responsible for the investigation and prosecution of persons *who bear the greatest responsibility* for serious violations of international humanitarian law . . . .” (Emphasis added.) In his position as High Priest, the Accused was one of the top three leaders of the Civil Defence Forces (CDF). He answered only to the National Director and Leader of the CDF, Samuel Hinga Norman. I am satisfied that Accused is a person who bears the greatest responsibility for serious violations of international humanitarian law committed in the territory of Sierra Leone since 30 November 1996.
3. I request that this Indictment be approved. To facilitate the approval process, I have attached a case summary in the form of an investigator statement. The investigator statement provides you with an ordered and concise review of the evidence. The investigator, trained in evidence collection and analysis, has provided relevant information to assist and expedite your review of the Indictment. In addition and should it be necessary, my representative is available to be heard on these matters during the approval process.

- 4. The first section of the Indictment lists the personal identifying information of the Accused. The next section sets forth General Allegations. The third section sets forth material facts relevant to the Accused's individual criminal responsibility. In the fourth and final section of the indictment I have set forth the crimes with which the Accused is charged and material facts sufficient to adequately put the Accused on notice as to those crimes.
- 5. I request that this Indictment be reviewed and approved and that an arrest warrant be signed prior to 28 June 2003. **ALLIEU KONDEWA** is currently in the custody of the Special Court pursuant to Special Court Orders dated 28 May 2003. This initial 30 day provisional detention pursuant to the provisions of Rule 40 *bis* of the Special Court's Rules of Procedure and Evidence (Rule) will expire on 28 June 2003. In accordance with the provisions of Rule 40 *bis*, on 28 June 2003, the Accused must be released from provisional detention unless, on or before that date there is an approved indictment and a signed arrest warrant, or I have requested an extension of the initial provisional detention. I have made no such request.

**Warrant of Arrest and Order for continued Detention**

- 6. Upon approval of the Indictment, I seek confirmation of the prior arrest of the Accused and his transfer to the custody of the Special Court and an Order for continued Detention based on the approved Indictment.

THE PROSECUTOR

Against

ALLIEU KONDEWA

also known as (aka) King Dr Allieu Kondewa, (aka) Dr Allieu Kondewa

INDICTMENT

The Prosecutor, Special Court for Sierra Leone, under Article 15 of the Statute of the Special Court for Sierra Leone (the Statute), charges:

ALLIEU KONDEWA

with **CRIMES AGAINST HUMANITY, VIOLATIONS OF ARTICLE 3 COMMON TO THE GENEVA CONVENTIONS AND OF ADDITIONAL PROTOCOL II, and OTHER SERIOUS VIOLATIONS OF INTERNATIONAL HUMANITARIAN LAW** in violation of Articles 2, 3 and 4 of the Statute, as set forth below:

THE ACCUSED

1. **ALLIEU KONDEWA, (aka) King Dr Allieu Kondewa, (aka) Dr Allieu Kondewa** (the **ACCUSED**) is believed to have been born in the Bo District, in the Republic of Sierra Leone.
2. The **ACCUSED** currently resides in the Bumpah Chiefdom, Bo District, and his occupation is that of a farmer and herbalist.

## GENERAL ALLEGATIONS

3. At all times relevant to this Indictment, a state of armed conflict existed in Sierra Leone. For the purposes of this Indictment the organized armed factions involved in this conflict included the Civil Defence Forces (CDF) fighting against the combined forces of the Revolutionary United Front (RUF) and the Armed Forces Revolutionary Council (AFRC).
4. A nexus existed between the armed conflict and all acts or omissions charged herein as Violations of Article 3 common to the Geneva Conventions and of Additional Protocol II and as Other Serious Violations of International Humanitarian Law.
5. The CDF was an organized armed force comprising various tribally-based traditional hunters. The Kamajors were comprised mainly of persons from the Mende tribe resident in the South and East of Sierra Leone, and were the predominant group within the CDF. Other groups playing a less dominant role were the Gbethis and the Kapras, both comprising mainly of Temnes from the north; the Tamaboros, comprising mainly of Korankos also from the north; and the Donsos, comprising mainly of Konos from the east.
6. The RUF was founded about 1988 or 1989 in Libya and began organized armed operations in Sierra Leone in or about March 1991. The AFRC was founded by members of the Armed Forces of Sierra Leone who seized power from the elected government of Sierra Leone via a coup d'état on 25 May 1997. Soldiers of the Sierra Leone Army comprised the majority of the AFRC membership. Shortly after the AFRC seized power, the RUF joined with the AFRC.
7. The **ACCUSED** and all members of the CDF were required to abide by International Humanitarian Law and the laws and customs governing the conduct of armed conflicts, including the Geneva Conventions of 12 August 1949, and Additional Protocol II to the Geneva Conventions, to which the Republic of Sierra Leone acceded on 21 October 1986.
8. All offences charged herein were committed within the territory of Sierra Leone after 30 November 1996.

9. All acts or omissions charged herein as Crimes Against Humanity were committed as part of a widespread or systematic attack directed against the civilian population of Sierra Leone.
10. The words civilian or civilian population used in this indictment refer to persons who took no active part in the hostilities, or were no longer taking an active part in the hostilities.

#### **INDIVIDUAL CRIMINAL RESPONSIBILITY**

11. Paragraphs 3 through 10 are incorporated by reference.
12. At all times relevant to this Indictment **ALLIEU KONDEWA** was the High Priest of the CDF. As such, together with **SAMUEL HINGA NORMAN**, the National Coordinator and **MOININA FOFANA**, the National Director of War, the **ACCUSED** was seen and known as one of the top leaders of the CDF. The **ACCUSED** took directions from and was directly answerable to **SAMUEL HINGA NORMAN**. He took part in high level policy, planning and operational decisions of the CDF. Furthermore, as High Priest the **ACCUSED** had supervision and control over all initiators within the CDF and was responsible for all initiations within the CDF, including the initiation of children under the age of 15 years. The **ACCUSED** knew or approved the use of such children to participate actively in hostilities. Furthermore, the **ACCUSED** frequently led or directed operations and had direct command authority over units within the CDF responsible for carrying out special missions.
13. In the positions referred to in paragraph 12, **ALLIEU KONDEWA** individually, or in concert with **SAMUEL HINGA NORMAN** and **MOININA FOFANA** exercised authority, command and control over all subordinate members of the CDF.
14. The plan, purpose or design of the CDF as carried out by **ALLIEU KONDEWA**, **SAMUEL HINGA NORMAN**, **MOININA FOFANA**, and subordinate members of the CDF was to use any means necessary to defeat the RUF/AFRC forces and to gain and exercise control over the territory of Sierra Leone. This included gaining complete control over the population of Sierra Leone and the complete elimination of the RUF/AFRC, its supporters, sympathizers, and anyone who did not actively resist

the RUF/AFRC occupation of Sierra Leone. The **ACCUSED** acted individually, and in concert with SAMUEL HINGA NORMAN, MOININA FOFANA and subordinates, to carry out the said plan, purpose or design.

15. **ALLIEU KONDEWA** by his acts or omissions is individually criminally responsible pursuant to Article 6.1. of the Statute for the crimes referred to in Articles 2, 3 and 4 of the Statute as alleged in this indictment, which crimes the **ACCUSED** planned, instigated, ordered, committed, or in whose planning, preparation or execution the **ACCUSED** otherwise aided and abetted, or which crimes were within a common purpose, plan or design in which the **ACCUSED** participated or were a reasonably foreseeable consequence of the common purpose, plan or design in which the **ACCUSED** participated.
16. In addition, or alternatively, pursuant to Article 6.3. of the Statute, **ALLIEU KONDEWA** while holding positions of superior responsibility and exercising command and control over his subordinates, is individually criminally responsible for the crimes referred to in Articles 2, 3, and 4 of the Statute. The **ACCUSED** is responsible for the criminal acts of his subordinates in that he knew or had reason to know that the subordinates were about to commit such acts or had done so and he failed to take the necessary and reasonable measures to prevent such acts or to punish the perpetrators thereof.

17. Paragraphs 3 through 16 are incorporated by reference.
18. The CDF, largely Kamajors, engaged the combined RUF/AFRC forces in armed conflict in various parts of Sierra Leone – to include, but not limited to the towns of Tongo Field, Kenema, Bo, Koribondo and surrounding areas and the Districts of Moyamba and Bonthe. Civilians, including women and children, who were suspected to have supported, sympathized with, or simply failed to actively resist the combined RUF/AFRC forces were termed “**Collaborators**” and specifically targeted by the CDF. Once so identified, these “Collaborators” and any captured enemy combatants were unlawfully killed. Victims were often shot, hacked to death, or burnt to death. Other practices included human sacrifices and cannibalism.

19. These actions by the CDF, largely Kamajors, which also included looting, destruction of private property, personal injury and the extorting of money from civilians were intended to threaten and terrorize the civilian population. Many civilians saw these crimes committed; others returned to find the results of these crimes – dead bodies, mutilated victims and looted and burnt property. Typical CDF actions and the resulting crimes included, but were not limited to:
- a. Between 1 November 1997 and about 1 April 1998, multiple attacks on Tongo Field and surrounding areas and towns during which Kamajors unlawfully killed or inflicted serious bodily harm and serious physical suffering on an unknown number of civilians and captured enemy combatants.   - b. On or about 15 February 1998 Kamajors attacked and took control of the town of Kenema. In conjunction with the attack and following the attack, both at and near Kenema and at a nearby location known as SS Camp, Kamajors continued to identify suspected “**Collaborators,**” unlawfully killing or inflicting serious bodily harm and serious physical suffering on an unknown number of civilians and captured enemy combatants. Kamajors also entered the police barracks in Kenema and unlawfully killed an unknown number of Sierra Leone Police Officers.
  - c. In or about January and February 1998, the Kamajors attacked and took control of the towns of Bo, Koribondo, and the surrounding areas. Thereafter, the practice of killing captured enemy combatants and suspected “**Collaborators**” continued and as a result, Kamajors unlawfully killed or inflicted serious bodily harm and serious physical suffering on an unknown number of civilians and enemy combatants. Also, as part of these attacks in and around Bo and Koribondo, Kamajors unlawfully destroyed and looted an unknown number of civilian owned and occupied houses, buildings and businesses.
  - d. Between about October 1997 and December 1999, Kamajors attacked or conducted armed operations in the Moyamba District, to include the towns of Sembehun and Gbangbatoke. As a result of the actions Kamajors continued to

identify suspected “Collaborators” and others suspected to be not supportive of the Kamajors and their activities. Kamajors unlawfully killed an unknown number of civilians. They unlawfully destroyed and looted civilian owned property.

- e. Between about October 1997 and December 1999, Kamajors attacked or conducted armed operations in the Bonthe District, generally in and around the towns and settlements of Talia, Tihun, Maboya, Bolloh, Bembay, and the island town of Bonthe. As a result of these actions Kamajors identified suspected “Collaborators” and others suspected to be not supportive of the Kamajors and their activities. They unlawfully killed an unknown number of civilians. They destroyed and looted civilian owned property.
- f. In an operation called “Black December,” the CDF blocked all major highways and roads leading to and from major towns mainly in the southern and eastern Provinces. As a result of these actions, the CDF unlawfully killed an unknown number of civilians and captured enemy combatants.
