In accordance with the "Order To The First Accused To Re-File Summaries of Witness Testimonies"<sup>1</sup> dated 2nd March, 2006 , the Norman Defence hereby re-files the expanded summaries of their proposed 77 witnesses, save the eight witnesses who have already been heard by The Chamber as Annex A
2. The expanded summaries include detailed summaries of incidents and/ or events which the witness will be called upon to testify, location and date where available of the alleged incidents and/ or events, position and role of a witness in relation to the crimes which form part of the indictment.
3. Court Appointed Counsel are reviewing the list with the intention to reduce the list of witnesses, if necessary, bearing in mind the considerations of avoiding repetitious evidence and calling an excessive number of witnesses to prove the same fact or calling witnesses in relation to the crimes and events which do not form part of the indictment or are outside the time frame of the indictment.
