CORRIGENDUM

1. This is a corrigendum to the *Defence Application for Leave to Appeal Gbao – Decision on Application to Withdraw Counsel*, filed on 9th July 2004, in order to rectify an oversight and ensure that the application conforms to a more appropriate form.
2. NOTING that there is no substantive defect in the clarity of the application, since it is clearly indicated from the front sheet and first sentence of the first paragraph, as well as the content of the application, that what is sought is leave to appeal from the Trial Chamber's *Gbao – Decision on Application to Withdraw Counsel* of 6th July 2004.
3. FURTHER NOTING that in its *Gbao - Order for Expedited Filing*, of 15th July 2004, the Trial Chamber has acknowledged that it is seized of the application for leave to appeal.
4. NOTING HOWEVER that the application does not end with a prayer and therefore does not strictly conform to general practice as to form;
5. The application is therefore for the sake of form hereby amended as follows:

The application shall end with the following prayer:

It is hereby accordingly requested that the Trial Chamber grant leave to appeal from its *Gbao- Decision on Application to Withdraw Counsel* of 6th July 2004 pursuant to Rule 73(B) of the Rules of Procedure and Evidence.
