1. The Prosecution files this Response to the application on behalf of Issa Hassan Sesay for an extension of time to respond to the Confidential Prosecution Notice under Rule 92bis to Admit the Transcripts of Testimony of TF1-023, TF1-104 and TF1-169, filed on 26 October 2005 (“Application”).¹
2. In its Application, the Defence seeks an extension of time until 7 November 2005 (or until the Trial Chamber considers appropriate) in order to consider properly the Prosecution’s Notice² and respond accordingly.
3. The Prosecution does not object to an extension of time to 7 November 2005 for the Defence to file its objections, if any, in accordance with Rule 92bis(C).
4. Since it does not object to the request of the Defence, the Prosecution presents no argument in response to paragraphs 3-7 of the Defence Application. However, this should not be taken to mean that the Prosecution accepts the position of the Defence with respect to the arguments raised.
